

Message from North Muskegon Public Schools

Hello Norse Nation! Welcome to the official "last day" of our wild and crazy 2019/20 School Year!

I have a simple message to pass along to our incredible school community. THANK YOU for doing your part to give your BEST good faith effort over the past couple months! I am so proud of our community and all those that stepped up to assist, support, provide, care for others, love, and so many more incredible actions - thank you!

I assure you, we will continue working diligently to make sure we are ready for school in the fall. While there are many questions to be answered - we will figure it out. We will provide our students a solid educational program. We will provide opportunities for all. We will engage as a school community to our fullest ability. Will things look a bit different - most likely, but Norse Nation will thrive! Stay tuned!

Now, my wish for you... please take the next several days to breathe deep, enjoy loved ones, push technology away a bit, and be kind to all.

Again, thank you and enjoy your summer! Enjoy!
