

April 13, 2021

Hello Norse Nation!

This is being sent as a follow-up to the communication sent this past weekend and to inform you of an antigen testing option being hosted by us for any of our interested students.

Returning to In-Person Learning this Thursday

While our State and greater community continue to show concerning health data, our reported health data appears to be quite decent. Locally, we have had 4 new students reporting a positive test. So, we will begin our in-person schedule (Monday, Tuesday, Thursday, and Friday as in-person with all students and Wednesday virtual) this Thursday, April 15.

Please know, we will continue to monitor all information available to us and continue to take our decision making process extremely seriously. We will also continue to work with the Health Department to manage contact tracing and quarantining as it is needed. We thank everyone for doing their part to keep our students engaged no matter the learning environment we find ourselves in - thank you!

NM All Student COVID19 Antigen Testing Clinic - TOMORROW

WHO: Open to all DK-12th Grade North Muskegon Students (voluntary)

WHEN: Wednesday, April 14

Session 1 - from 7:30am - 9:00am

Session 2 - from Noon - 2pm

WHERE: HS Gym

HOW: Parents must sign up their student(s) for a specific [session](#), this is your consent to test. If you have any questions, please email Mr. Byard at kbyard@nmmps.net. Upon coming to your session, please report through the MS/HS Office entrance and exit out either gym door. After testing students will need to remain at school for 15 minutes to get their results.

- Student-athletes that have already tested this week, need not attend.
- This is a nasal test (the same one the MHSAA is using for our current student-athletes).
- A positive test will result in the school contacting parents and the Health Department (mandated).
- This testing opportunity may become available weekly - more information to come.

Vaccination Option for 16 - 18 Year Olds (Or Contact Your Primary Care Provider)

The Vaccine Clinic at **Shape Corp.** in Spring Lake, Michigan has openings for COVID-19 vaccines this week. Appointments are available for patients 16 and older. Minors are required to have a legal guardian present to receive the vaccine. You may schedule yours at <https://bit.ly/3a5xlz1>

Thank you, again, for doing your part in keeping us moving forward positively and safely!

Take care,
Dr. Babcock
Superintendent
