

North Muskegon Public Schools

Isolation and Quarantine Strategies as of 1/11/22

All information/direction below is based on North Muskegon Public Schools maintaining all current safety mitigation strategies including hand sanitization, universal masking, physical distancing practices, etc.

If the staff/student test positive:

**Positive
test**

- Home Isolation days 0-5
- After symptom free for 24 hours, return to school during days 6-10

If the staff/student are Close Contact or exposed to positive person (will rarely be used for contact in school session due to our universal masking):

**Up to date
Vaccines or Covid
within last 90
days**

- No need to quarantine if no symptoms

Not Vaccinated

- Home quarantine for days 0-5, after symptom free for 24 hours and a negative test, return to school during days 6-10

Day "0" is day symptoms begin or day test was taken for those without symptoms
