Reconfirmation Meeting for January

Reconfirm instructional delivery method:
DK - 12 Hybrid and Virtual Academy
Reconfirm how instruction will be delivered for each grade level:
<u>Elementary (DK - 1st Grade):</u> Students will have the option to attend school 4 days per week for face-to-face instruction with the other day's instruction occurring virtually (Hybrid Model) OR attend the virtual academy. For in-person instruction, students and staff health and safety will be addressed through a cohort model that keeps students together for the entire day. If needed, all students will again be offered only distance learning due to a very high COVID-19 threat level. All students were provided an internet-ready device and we have assured that all families have access to the internet. Students are provided daily virtual meeting lessons in addition to online and physical "packet" materials to support their continued learning. This would hypothetically continue until students can return to in-person instruction safely.
