NORTH MUSKEGON PUBLIC SCHOOLS AGREEMENT

4001

This agreement entered into this 28th of December 2019, by and between the Board of Education of the North Muskegon School District, North Muskegon, Michigan, hereinafter called the "Board", and the North Muskegon Education Association, hereinafter called the "Association".

Emergency Financial Manager Clause

Section: 15(7) of the Public Employment Relations Act (PERA) mandates that any contract entered onto include statement that allows an Emergency Financial Manager appointed under the Local Government and School District Fiscal Accountability Act to reject, modify, or terminate the collective bargaining agreement as provided in the Local Government and School District Accountability Act.

The union reserves all rights to assert that this clause is unenforceable.

DEFINITIONS

4002

A. Definitions

1. The term "day" or "days," unless otherwise specified, shall mean those days when the office of the superintendent is open to the public for business.
2. Beginning January 1, 2003, seniority shall be computed from the last date of hire on the first working day, and shall be defined to mean the amount of time continuously employed as a member of the bargaining unit. Time spent on leave or on lay-off shall not be construed as a break in continuous service and seniority shall continue to accrue. The district shall prepare and present to the Association a current seniority list of bargaining unit members (consisting of name of teacher, degree, experience in North Muskegon, year started, outside experience, experience total, experience credit) prior to October 15 of each year. Accompanying the name of each teacher on the list shall be the date of last hire and first working day. In the event two or more teachers have the same seniority date, ties will be broken by using the last four digits of the teachers' Social Security Numbers. The teacher with the highest number shall be considered to have the greatest seniority with the rank descending so that the teacher with the lowest number has the least seniority. No person other than a member of the bargaining unit shall possess, retain, or accrue seniority within the bargaining unit.
3. Whenever the male gender is used in this Agreement, the female gender shall be equally presumed, and vice versa.
4. "Temporary vacancy" shall mean a bargaining unit position held by a teacher on a leave of absence in excess of ten (10) working days (refer to policy number 4151 through 4152.5a).
5. "Permanent vacancy" shall mean a bargaining unit position newly created (including but not limited to positions created by increased enrollment, revised curriculum, and increased sections at grade or subject levels) or a bargaining unit position the Board intends to fill because of the resignation, retirement, dismissal for cause, or death of the teacher assigned to said bargaining position.
6. Team teaching shall be defined as a Special Education teacher working in the classroom with a regular education teacher for at least ½ a day or for a whole class/subject period.

7. Any teacher asked by an administrator to be compensated with a monetary amount equal to the time relinquished. This amount shall be based on the teacher's position on the salary schedule Schedule B rate for Hourly Curriculum. A teacher may also accumulate 5 coverages (equivalent of a normal day) in return for an additional personal day up to 2 in a given school year. May carry over coverages to the next year to complete 5 needed for a day.

B. Secondary

1. At the secondary level, a "full teaching period" is defined to be 55 minutes for regular sessions and 25 minutes for Norse Time.
2. A "full-time" daily teaching load in the high school shall not exceed five (5) full teaching periods with one (1) Norse Time and one (1) student-free preparation period. Assignment to a full period of a supervised study or lunch period in place of a teaching period will be considered a teaching period for the purposes of this article.
3. The above assigned duties shall fall between the hours of 7:45 a.m. and 2:45 p.m. Secondary School teachers are expected to be in residence from 7:40 a.m. to 2:50 p.m., excluding the teachers' thirty-five minute lunch period, except as released by the administration.
4. At the secondary level, any teacher assigned less than five (5) full teaching periods daily and a Norse Time class shall be paid per teaching period assigned at the rate of 55 minutes per full teaching period and 25 minutes for Norse Time divided by the student contact time of a full time (1.0 FTE) teacher ($5 \times 55 \text{ minutes} = 275 \text{ minutes}$ and $\text{NT} = 25 \text{ minutes}$ for a total of 300 minutes) and set based from the appropriate position of the salary schedule. Example: Teach 3 courses and $\text{NT} = 190 \text{ contact minutes} / 300 \text{ contact minutes} = .6333$ (63.3%)
5. At the secondary level, counselors shall have counseling responsibilities for a time equivalent to six (6) full teaching periods as defined in Section 4002, B, 1. If a counselor is assigned teaching responsibilities with student contact time that requires lesson planning, that time shall receive the equivalent amount of planning time (ie. Teaching 1 class would equal 1/6 of a planning period timeframe).

C. Elementary School

1. In the elementary school a "full-time" teaching load shall be from 8:00 a.m. to 3:10 p.m. Elementary teachers shall be in residence from 7:55 a.m. until 3:15 p.m., excluding the forty-five minute lunch period, except as released by the administration.
2. Within the school week there will be time that teachers are free for preparation, conferences, etc., when their students are attending special classes, or otherwise scheduled outside of the classroom. All full-time elementary teachers will be provided with a minimum of two hundred (200) minutes of such time. To guarantee such time, teachers exceeding the two hundred (200) minute minimum may be required to work together in sharing such duties as will provide this release time.

D. Part-time

1. Applies only to teachers who were members of the bargaining unit during the 1980-81 school year.

In the elementary school, any teacher assigned to less than one day as defined in part F of this article shall be paid at the rate of one-ninth (1/9) of their contractual salary at the appropriate step of the salary schedule, per half day assigned (A.M. or P.M. session).

2. Applies only to teachers who were not members of the bargaining unit during the 1980-81 school year.

In the elementary school, any teacher assigned to less than the day as defined in part F of this article shall be paid at the rate on one-tenth (1/10) of their contractual salary at the appropriate step of the salary schedule, per half day assigned (A.M. or P.M. session).

E. Meetings

1. It is agreed that the following meetings will be held after the regular school day:

1st week of month: DK-12 Staff
2nd week of month: High School/Middle School Staff
3rd week of month: NMEA
4th week of month: Elementary Staff

These meetings will be adjourned at the conclusion of one hour after the start of the meeting or at 3:50 (MS/HS) or 4:15 p.m. (Elem.) whichever occurs first.

If the above schedule is to be deviated from, a new schedule of meetings shall be collaboratively created and communicated to all staff impacted.

2. The staff at each level shall decide at their level's October staff meeting on the day of the week for meetings during the second semester and at their May staff meeting on the day of the week for meetings during the following year's first semester.
3. All teachers are required to attend the DK-12 meeting and their teaching level meeting.
 - a. Teachers assigned to more than one teaching level shall attend the meeting at the level of the majority of their teaching responsibilities.
 - b. A coach will be excused, at the appropriate time, from the meeting if the starting time of a scheduled competition requires the coach to leave the meeting early.
4. A principal may, with the concurrence of the Association Building Representative, call an emergency meeting to deal with matters of an urgent nature on the even week opposite to that level's regularly scheduled meeting. (Example: Elementary's regular meeting is the 4th Monday; an emergency meeting may be held on the 2nd Monday.)

5. A principal may, with notification to the Association Building Representative, call a rescheduled meeting on the even week prior to or following that level's regularly scheduled meeting to make up for a regularly scheduled meeting that will be missed or was missed because the regular meeting day will not be or was not a day of work. (Example: Elementary's regular meeting is the 4th Monday; a rescheduled meeting may be held on the 2nd Monday prior to the regular meeting or on the 2nd Monday after the regular meeting.)

F. General

1. Changes in the teachers' day or lunch hour may be accomplished only through negotiations.
2. Any individual bargaining unit member may voluntarily render services outside the scheduled workday, as defined in Definitions (4002), for a maximum of 182 teaching periods during any given school year, provided the Association president is notified of the deviation.
3. During the term of this agreement, the impact, if any, of changes in local, state, and/or federal government programs on the teachers' work day or lunch hour will be determined through negotiations. In the event the parties are unable to agree on said impact, the Board may impose necessary changes in the teachers' day or lunch hour in order to comply with such programs pending final agreement between the parties.

4. All premiums for fringe benefits will be based on the percentage established in 4002. B.4.

Example:

- a. Elementary Level - Teaching five (5) half days (a.m. or p.m. sessions) = 5/10 or 5/9 fringe benefits paid by the Board (based on Section 4002, D, 3, a. or b., as applicable).
 - b. Secondary Level - Teaching three (3) classes per day = 3/5 fringe benefits paid by the Board.
5. The Board will pay part-time teachers a percentage of planning time equivalent to the percentage of work time as established in 4002 B. 4.
 6. Per diem basis shall be the amount obtained by dividing the contractual salary, based on that teacher's position on the salary schedule including extra pay for teaching extra academic classes, but excluding all other extra duty pay, by the number of days which appear on the employee's contract.
 7. Any teacher asked by an administrator to relinquish his/her student-free preparation period shall elect to be compensated with a monetary amount equal to the time relinquished. This amount shall be based on the Schedule B rate for Hourly Curriculum. A teacher may also accumulate 5 coverages (equivalent of a normal day) in return for an additional personal day up to 2 in a given school year. May carry over coverages to the next year to complete 5 needed for a day.

DUTY FREE LUNCH

4140.2

- A. Each teacher shall have an uninterrupted duty free lunch period. Changes and duration of the lunch period shall be determined through negotiations. Except as specified below, no lunch period duty appointment of a staff member will be made without the consent of the staff member so appointed, nor will any such appointment be made without regard to the terms of the agreement covering such assignments.
- B. The above notwithstanding, should the Board determine to assign a bargaining unit member, either voluntarily or involuntarily, to lunchroom and/or gym supervision, he/she shall be compensated at the contractual rate of pay for such time. In the event that no teacher voluntarily accepts lunch period duty appointment at the high school or middle school, the Administration may engage a non-bargaining unit member, or may assign said duty to the least senior teacher in the building, unless such assignment would result in another teacher being assigned outside of his or her area of certification, in which case, the next lowest senior teacher may be assigned.

MAKE-UP OF SNOW DAYS

4140.3

- A. To be in accordance with the provisions in MCLA (Michigan Compiled Laws Amended) 388.1701 (3), on days when pupil instruction is not possible because of conditions not within the control of school authorities, such as severe storms, fires, epidemics, or health conditions as defined by the city, county, or state health authorities, the Superintendent may, at his or her discretion, delay the opening of school, close the school on the day affected, or close school early. If school is to be delayed, or if it is closed prior to the start of the day, every attempt will be made to notify the media prior to 6:30 a.m.
 - 1. In the event of additional days or hours above the state mandated number or instructional days or hours being added to the calendar, for the duration of the contract, they shall constitute the make-up days or hours (until such time as they are exhausted).
 - 2. If the closing or delay would drop instructional time below the state mandated number of instructional days or hours for that year, the days or hours necessary to fulfill state mandates will be made up at the end of the school year or as mutually agreed upon.
 - 3. If this law (MCLA 388.1701) is rescinded, then all of the preceding is null and void.

SALARY SCHEDULE

4141

- A. The Board of Education shall adopt a uniform salary schedule that has been established through negotiations between the Board and the Teachers' Association. The Board will follow this salary schedule in fixing salaries. It is a contract between the Board of Education and the employees and a contract between the Board and the Association. The Board will make every reasonable effort to maintain the salary schedule, but it reserves the right to make additions, reductions, or other changes which, in its judgment, may be necessary or desirable for the best interests of the school community, provided that any such additions, reductions or other changes will be developed through negotiations.
1. Adjustments from one vertical column to another will be made according to the following guidelines:
 - a. BA+15, BA+30, and BA+36 Columns
 1. Only those courses taken after the BA degree is awarded will be applicable.
 2. Graduate credit courses shall be counted if they have been earned through an accredited college or university or are required by the District. (i.e. Math Their Way).
 3. Undergraduate credit courses must have the written approval of the Superintendent in order to count for column movement. Such approval will be granted so long as the course is related to the field of DK-12 education.
 - b. MA+15 and MA+30
 1. Only those courses taken after the MA degree is awarded will be applicable.
 2. Graduate level courses will be counted toward column movement if they are earned through an accredited college or university or are required by the District.

- B. Teachers who will be changing their pay status due to an adjustment from one vertical column to another must notify the Administration in writing of their intent to do so by June 1 of the school year prior to when the change is to be effective. Individual exceptions may be brought to the Superintendent for approval after the above date.

1. Teachers may receive their basis contractual salary (including compensation for an extra class) by way of one of the following options:
 - a. 20 equal installments
 - b. 26 (27 when needed due to calendar) equal installments

Those assignments covering the full school year, however, may be paid in two installments at the request of the teacher. The first of such installments will be made on the first pay-day in December, with the second payment being made on the same date as the regular 20th payment in C-1 above.

- A. A leave of absence of more than one (1) year must be renewed annually at Board discretion.

SCHOOL RELATED INJURY

4152.5

- A. Any teacher who is absent because of injury incurred in the course of performing his duties as an employee of the school district will have the following options:
 - 1. May receive payment by the Workmen's Compensation Insurance only, in which case no sick leave will be charged against the sick leave bank of the teacher.
 - 2. May receive payment by the Workmen's Compensation Insurance and the Board of Education up to full biweekly salary. Sick leave days will be deducted figured on the percentage paid by the Board of Education.

Example: Salary - \$400.00 per pay period
Workmen's Comp. pays \$300.00 (3/4)
School pays \$100.00 (1/4)
One-fourth (1/4) of sick leave would be deducted for that period

- B. This arrangement would continue until all sick leave days are used, or until the teacher has received the total amount of his contract from Workmen's Compensation and the Board of Education, whichever would come first.

OTHER RELATED INJURY

4152.5a

- A. Any teacher who is absent because of injury incurred while working for an employer other than the North Muskegon Board of Education will have the following options:
 - 1. May receive payment by the Workmen's Compensation Insurance and any other benefits that the employer for whom he was working at the time of the injury may pay.
 - 2. May receive payment as stated above, and the Board of Education will pay the difference between what he receives from the employer for whom he was working at the time of the injury and what he would receive if he was able to work on his regular school position, the sick leave so paid to be charged against his credited sick leave on a percentage basis, as explained in Policy 4152.5, and no such leave will be paid during the summer months while school is not in session.
 - 3. Any injury that any teacher incurs that is not compensated for through Workmen's Compensation will be covered by existing sick leave policies, and no sick leave will be paid during summer months while school is not in session.
- B. This arrangement would continue until all sick leave days are used, or until the teacher has received the total amount of his contract for Workmen's Compensation and the Board of Education, whichever would come first.

PROFESSIONAL GRIEVANCE PROCEDURE

4160

- A. A grievance shall be defined as an alleged violation of the expressed terms and conditions of this contract. The termination of service or failure to re-employ any teacher to a position on the extracurricular schedule shall not be the basis of any grievance filed under the procedure outlined in this Article.
- B. In the event that a teacher believes there is a basis for a grievance, he shall first discuss the alleged grievance with his building principal either personally or accompanied by his Association representative. The grievance must be filed within fifteen (15) calendar days of the discovery thereof. In cases where the time required to process a grievance through the normal grievance procedure will cause a disadvantage to the grievant(s), as determined by the grievant, the grievances may be appealed directly to the Superintendent.
- C. If, as a result of their formal discussion with the building principal, a grievance still exists, he may invoke the formal grievance procedure through the Association on a form substantially in accordance with that set forth in this Master Agreement, which shall be available from the Association representative in each building. A copy of the grievance form shall be delivered to the principal and signed by the principal. If the grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by him.
- D. Within five (5) calendar days of signed receipt of the grievance by the principal, the principal shall meet with the grievant and the Association in an effort to resolve the grievance. The principal shall indicate his disposition of the grievance in writing within five (5) calendar days of such meeting, and shall furnish a copy thereof to the Association.
- E. If the Association is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) calendar days of such meeting (or ten (10) calendar days from the date of filing, whichever shall be later), the grievance shall be transmitted to the Superintendent. Within seven (7) calendar days of signed receipt the Superintendent or his designee shall meet with the Association on the grievance and shall indicate his disposition of the grievance in writing within five (5) calendar days of such meeting, and shall furnish a copy thereof to the Association.
- F. If the Association is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition had been made within the period above provided, the grievance may be submitted to the Board of Education at a Board meeting within four (4) weeks of submission to the Superintendent. The record of the grievance will be made available to the Board of Education. The aggrieved staff member and any N.M.E.A. member may be present during the consideration of the grievance by the Board of Education. If the Board of Education does not resolve the grievance in writing within twenty-eight (28) calendar days after submission to the Board of Education at said meeting, the grievance shall proceed to the next step.
- G. If the Association is not satisfied with the disposition of the grievance at the previous level, or if no disposition has been made within the period above provided, the Association may file a demand for arbitration of the dispute with the American Arbitration Association, whose rules shall govern the arbitration proceeding. Such demand for arbitration must be initiated (formal request to AAA) within twenty-eight (28) calendar days of the Board's decision.

- H. The arbitrator shall have no authority to add to, subtract from, modify, change, alter or amend the terms and conditions of the Agreement. The arbitrator shall have no power to establish salary schedules.
- I. The costs and expenses of the arbitrator shall be shared equally by the parties.
- J. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

RESPONSIBILITIES OF TEACHERS

4161.1

- A. The responsibilities of teachers shall include the instruction, guidance, discipline, safety, hygiene, and general care for the welfare of pupils. These responsibilities are not confined to the classroom, but extend to all school sponsored activities.
1. Teachers are obligated to perform those duties prescribed by the laws of the State of Michigan for teachers, to accept and act according to the Code of Ethics of the Education Profession, and to discharge those duties which, within reason and the law, they may be called upon by the administration to perform.
 2. Teachers assume classroom responsibility promptly at the beginning of each class session.
 3. During all hours of scheduled parent-teacher conferences (as set forth in 4140.1) teachers shall have an administrator available for their assistance.
 4. So that teachers can meet the responsibilities defined above, every effort will be made to limit pull-out program/activities, which remove students from their regularly assigned class.
 5. So that teachers can meet the responsibilities defined above, parents and/or students shall be encouraged to direct all concerns and/or complaints to the affected teacher.

ABSENCES

4162

When a teacher must be absent from work, the teacher will request a substitute teacher by following the procedure outlined at the beginning of the year by the administration. Notification will occur as soon as he/she knows that he/she is unable to work. The teacher will have available for the substitute teacher, in a place known or designed, an adequate outline/plan of work, a roster of names for each class to be met, a set of alternative activities, and a daily program showing dismissal times and times of classes with special teachers.

LEAVES AND SUBSTITUTES

4163

All absences and subsequent substitutes are the responsibility of the principal and must be arranged through their office.

STUDENT EVALUATION

4180

- A. It is agreed by the parties that the evaluation of student performance is the responsibility of the professional staff within the bargaining unit. All instructional materials, methods, lesson plans or other creative or copyrightable work, written, composed, created or devised by a bargaining unit member during their employment shall remain the property of such member.
- B. The Board shall not permit any Board member, superintendent, assistant superintendent, principal, assistant principal, guidance director, teacher, or any other person to change a grade given to a pupil by a teacher unless one (1) of the following occurs:
 - 1. The teacher who gave a grade to a pupil is informed of one (1) or more reasons why the grade should be changed and the teacher concurs in the grade change.
 - 2. If a teacher who gave a grade to a pupil does not concur in the grade change, a majority of a review panel, after evaluating the reasons for a requested grade change, approves the grade change and the teacher involved does not appeal the panel's decision. The panel described in this subdivision shall be composed of three (3) teachers selected by N.M.E.A. and one (1) Board member and the Superintendent of Schools or the Superintendent's designee.
 - 3. If the teacher involved appeals the decision of the review panel described in subdivision two (2) to the Board, and a majority of the Board members elected and serving approve the grade change at a meeting of the Board at which the reasons for changing the grade are reviewed. A decision of the Board on the merits of the grade change shall be final.

ADOPTION OF TEXTBOOKS

4185

- A. Examination and recommendation of textbooks shall be made by department or teacher committees. Their recommendations, when approved by the principal, shall be forwarded to the Superintendent for further examination and review.
- B. Textbooks and supplementary books may be adopted by the Board of Education upon recommendation of the Superintendent of Schools.

PERFORMANCE CONTRACTING

4190

If any independent corporate, commercial, or educational entity is to be considered as a contractual party by the Board for the North Muskegon School District, the Board will work cooperatively with the North Muskegon Education Association in the planning, selection, staffing, maintenance, and implementation of any such contractual program that applies to teachers since the subcontracting of any other support services is a prohibited subject of bargaining.

A. The parties recognize that optimum school facilities for both student and teacher are desirable to ensure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward ensuring that the energy of the teacher is primarily utilized to this end.

1. Because the pupil-teacher ratio is an important aspect of an effective education program, the parties agree that all efforts will be made to follow the Board guidelines on class size as set forth in Section E.
2. All classes shall also be limited by the number of teaching stations available, except additional students may be included upon mutual agreement between the teacher and the principal and the Association.
3. No class size shall exceed the number of students that can be accommodated by the facility.
4. Efforts will be made to distribute students with learning impairments evenly between teachers at a given grade level.
