

## North Muskegon Summer Tennis Program 2023

**Director:** Cody Liverance, Boys and Girls Varsity Coach  
231-286-8084 [spartancody11@yahoo.com](mailto:spartancody11@yahoo.com)

Classes will be instructed by members of both the North Muskegon Boys and Girls Varsity teams, most of which are alumni of this very program! All classes will meet Monday through Thursday, weather permitting. Players should sign up for classes based on their age and ability. Your child will need to come to class with tennis shoes, a water bottle, and their own (child size) tennis racquet. Racquets will be available to borrow if necessary.

Class sizes will be limited to provide more direct instruction, so you are encouraged to register early. Select the weeks that fit your schedule, but the more weeks you select, the more money you save! All costs include a team shirt. Times are subject to change based on number of participants.

Session	Cost
1 Session	\$35
2 Sessions	\$60
3 Sessions	\$80

**Inter-City Junior Tennis League (match play opportunity):** Best for ages 7 and up. This program is meant to provide an introductory experience in competitive tennis. Members of the team play against other area teams. Cost for this program is included when signing up for a session, or \$25 if your player would only be playing these matches. That includes the price of the team shirt. Schedule TBD.

**Registration:** To register your player, please fill out the [NM Summer Tennis Registration Form](#). Please make checks payable to NMPS or NM Summer Tennis. Payment is due by the first day of class. No spots will be held without payment. Also, be sure to "LIKE" our Facebook page, North Muskegon Summer Tennis Program, for more information and updates.
