Parents, you are responsible for making sure your children have money on their lunch account to purchase meals!!

Click the following logo to add funds: 

- HS/MS - students are informed of their account balances each time they make a purchase. If an account balance falls below \$0, the student continues to receive and be charged for a hot lunch for up to 2 days
 - a. HS/MS students may make cash deposits and purchases in line if necessary.
- Elementary - if an account balance falls below \$0, the student continues to receive and be charged for a hot lunch for up to 5 days.
 - a. Paper notices and/or emails are sent home requesting a deposit without delay.
 - b. The Nutrition Services Director will attempt to reach parents by phone if there is no response to the emails or notices.
- *If a deposit is not forthcoming, the student is offered a cold sandwich, fruit and milk. The kitchen staff dislikes telling a student they cannot have their hot lunch choice so please help us avoid this uncomfortable situation and make sure money is on lunch accounts.*

No charging allowed after Memorial Day in any school!
